PUBLIC HEARING
May 29, 2008

Alternative 4: **Fixed Span Bridge**

Issues:

- 1st and 2nd Streets cutoff between Philadelphia and Baltimore Avenues.
- Some parking lost on 5th Street due to additional left-turn lane.
- Closest to Skimmer Island waterbird colony.
- May require temporary off-season roadway closures and detours during construction of ramps.
- Total Cost = \$390-400 Million.
- Total Displacements = 11 homes and 14 businesses.
